

Supporting Families...Building Communities

Our Mission

➤ To help families and children thrive and build a sense of belonging within their communities by connecting them to education, support, advocacy and wellness opportunities.

Supporting families... Building Communities

Our Communities

- ◆ Family support and outreach programming into homes and communities, meeting families where it's convenient and comfortable for them.

Our Commitment

- Orange County Parent Child Center is a safe, nurturing environment where children develop the skills and confidence they need to flourish in their lives and in their communities.

Our Programs

Serving the whole family, offering access to many resources and programs that can help a family through both short-term periods of transition and long-term difficulties.

Home Visits

Welcome Baby visits for newborns and home visits to families with young children who request home-based support.

Early Childhood Services

- ◆ Developmental, inclusive child care, on-site or in strong collaboration with other providers, to ensure that families have quality options and children have positive group experiences with their peers.

Parent Education

- Supportive, practice-oriented and empowering education opportunities in a variety of formats on a range of topics and themes.

Community Playgroups

- ◆ Opportunities for parents and children to come together for socialization, peer support, snacks, information, and resource-sharing.

Parent Support Groups

- ◆ Opportunities for families with common experiences and interests to support each other in a peer group setting.
